**PRINT THREE TO  
SIX INK COLORS!**

The insulating properties of foam cups and containers make them ideal for keeping hot, hot and cold, cold.

Printing your business name or logo on these products is an economical way to promote your business.

A broad range of cup sizes and styles are available, including travel cups. A single lid fits cup sizes 12-24oz and another fits cup sizes 32-44oz (travel & regular).

We offer the lowest print minimum in the industry—only 25,000 per cup size. Art and printing plate charges start at \$250 per cup size.

**PRINT CAPABILITIES:**

- Up to three ink colors using embossed printing—ink colors cannot touch/trap or be overprinted, but are printed 1/32" apart.
- Up to six ink colors using offset printing for larger quantity print runs of 50,000 cups/100,000 cases.
- Graphic designs are printed a minimum of 1/4" below the lip and 1" up from the bottom of the cup (1/2" up from the bottom for containers).
- Designs can be printed using two-panel, full-panel or a full wrap around the product. Pricing varies based on ink coverage.
